# TV Tonight

## Best bets

Lisa Edelstein stars in "House" on Fox.

**HOUSE:** Now here's a patient House (Hugh Laurie) can relate to. In this episode, he and his team try to figure out what's wrong with a man suffering from chronic pain — something House has lived with for years. Foreman and Thirteen (Omar Epps, Olivia Wilde) deal with their budding relationship, and Cuddy (Lisa Edelstein) gets a lesson in juggling work and parenthood in "Painless." **7 p.m. on KQFX 38**

**SMALLVILLE:** Tess (Cassidy Freeman) kidnaps Lois (Erica Durance), determined to find out where she went when she disappeared for weeks. Chloe (Allison Mack) forms a resistance group with Oliver (Justin Hartley), while Clark (Tom Welling) makes a significant decision about Zod (Callum Blue) after learning of Lois' memory of the future in the new episode "Pandora." **7 p.m. on CW**

**MOVIE: DR. DOLITTLE 2:** In this 2001 sequel, Eddie Murphy returns as the fellow who can talk to the animals, most of which talk back. The politically correct tale finds them asking the doctor to find a mate for a bear that might otherwise become extinct. That leads Dolittle to a performing animal that must readjust to wilderness conditions. Kevin Pollak, Andy Dick and Isaac Hayes lend their voices to the fun. **7:30 p.m. on Cinemax**

**MEDIUM:** When Allison's (Patricia Arquette) eyes develop a sensitivity to light, the sunglasses she dons display numbers that may be linked to the life expectancy of those she looks at. Life expectancy also is on the mind of Joe (Jake Weber), after Allison dreams about his father in the new episode "The Future's So Bright." Miguel Sandoval, Sofia Vassilieva, Maria Lark and David Cubitt also star. **8 p.m. on KRCG**
